## A. INTRODUCTION

This document sets out the terms and **Conditions** that apply to **your Payment Term Lifetime Mortgage with us**. **You** should read these **Conditions** together with **your Offer of Loan**, the **Mortgage Deed**, the **Your Guide To Early Repayment Charges**, the **Tariff of Charges**, and, if **your Property** is in Scotland, the **CFRA Standard Conditions**, all of which form part of **your Payment Term Lifetime Mortgage with us**.

Should there be any inconsistency between the documents referred to above, **we** will give priority to the terms of the **Offer of Loan**, then the **Mortgage Deed**, then the **Your Guide To Early Repayment Charges**, then the **Tariff of Charges**, then these **Conditions** and finally, if **your Property** is in Scotland, the **CFRA Standard Conditions**.

### Property in Scotland

If **your Property** is in Scotland, there are some differences and special **Conditions** that **you** need to know about which are set out in **Condition 29**. If **your Property** is not in Scotland, then **you** do not need to consider **Condition 29**.

### Definitions and interpretation

**You** will find several terms in these **Conditions** which are in bold. This indicates that the term is defined in **Condition 30** (unless it is defined in the relevant **Condition** itself) and has the meaning given to it in that **Condition**. **Condition 31** also describes how **we** interpret these **Conditions**.

When **we** refer to “**you**” or “**your**” in these **Conditions**, **we** are referring to all **Borrowers** together (if there is more than one) and each **Borrower** separately. Should **you** die, become bankrupt or become unable to manage **your** affairs, references in these **Conditions** to “**you**” also include **your** legal representatives, as outlined more fully in **Condition 31**.

### Examples, explanations and introductions

**We** know that legal documentation can sometimes be difficult to understand, and **we** have tried to avoid legal language. Sometimes this hasn't been possible, and **we** have instead included some examples and explanations to help **you** understand the effect of the **Condition**. **We** have also inserted a short introduction to Sections B to H of these **Conditions**, which summarises what that Section is about.

These examples and explanations and the introductory paragraphs to Sections B to H are clearly indicated by the keynote box that they appear in. The examples and explanations and the introductory paragraphs are non-exhaustive and illustrative. **We** have included them to make the **Conditions** themselves easier to understand but it is important to remember that they don't tell **you** everything **you** need to know or cover every possible situation. **You** should always read the examples and explanations and the introductory paragraphs in the context of the entire **Condition** and with the rest of these **Conditions**.

If **you** have any doubts or questions about these **Conditions** or any other document given to **you** in connection with **your Payment Term Lifetime Mortgage**, **you** should seek independent legal advice.

### Dealing with you and your Payment Term Lifetime Mortgage

**We** will comply with the Financial Conduct Authority's rules and guidance, and act honestly, fairly and professionally and have regard to **your** best interests when dealing with **you** and **your Payment Term Lifetime Mortgage**.

## B. ABOUT YOUR PAYMENT TERM LIFETIME MORTGAGE

This Section B sets out further detail about **your Payment Term Lifetime Mortgage** and how it operates, in relation to the interest that is payable and the **Charges** that **you** may incur. These **Conditions** supplement the information about **your Payment Term Lifetime Mortgage** in **your Offer of Loan**. Please pay close attention to the terms of **your Offer of Loan**, which will prevail over these **Conditions**.

### 1. Interest applicable to your Payment Term Lifetime Mortgage

- 1.1 **We** will on the **Interest Application Date** calculate interest in respect of that month based upon the **Interest Rate** and the **Amount Owed** shown on **your Account** and add this interest to the **Amount Owed** as shown on **your Account**.
- 1.2 For the purpose of calculating interest payable, each month shall be treated as 1/12th of a year and start on each **Interest Application Date**.
- 1.3 Payments which are credited to **your Account** will, once they are cleared funds, immediately reduce the balance on which interest is charged.
- 1.4 Interest will continue to apply on the **Amount Owed** at the **Interest Rate** following a **Repayment Event** occurring until the **Amount Owed** is fully repaid. Interest shall also be applied for any period before and, so far as allowed by law, after:
  - (a) any court order **we** obtain requiring payment; or
  - (b) any other action that **we** take when exercising **our** powers in connection with the **Payment Term Lifetime Mortgage** and/or the **Property**, until the **Amount Owed** is fully repaid.

### 2. Monthly Interest Payments payable during the Payment Term

- 2.1 **You** agree to pay **us** the **Monthly Interest Payment** on the **Payment Date** each month for the duration of **your** agreed **Payment Term**.
- 2.2 **You** agree to make the **Monthly Interest Payment** by direct debit, unless **we** have provided **our** written consent that **we** will accept another payment method. **We** may change the method for making **Monthly Interest Payments** at any time by giving **you** not less than 30 days' notice in writing. **We** will only do this if:
  - (a) the existing method has become obsolete; or
  - (b) the changed method will be quicker, cheaper or more reliable than the existing one.
- 2.3 If **you** pay each **Monthly Interest Payment** and any **Charges** in full and on time throughout the **Payment Term**, compounding interest will not be payable by **you** during the **Payment Term**. However, to the extent that **you** fail to make such payments, interest is charged on a compounding basis which means that interest is charged on all of:
  - (a) any **Charges** that remain unpaid at the relevant due date; and
  - (b) any due but unpaid **Monthly Interest Payments**. No additional or compounding interest is charged on any **Monthly Interest Payments** which **you** make on time during the **Payment Term**.

### 3. Interest applicable after the end of the Payment Term

- 3.1 Interest will continue to accrue on the **Amount Owed** at the **Interest Rate** after the end of the **Payment Term** until the **Amount Owed** is fully repaid.
- 3.2 After the end of the **Payment Term**, interest is charged on a compounding basis which means that interest is charged on all of:
- (a) the amount of the **Loan**;
  - (b) any **Charges** that remain unpaid at the relevant due date; and
  - (c) any interest which has already been charged and added to the **Account**.

### 4. Overpayments and additional payments

- 4.1 **Your Offer of Loan** sets out the ways in which you can make payments to **your Account**.
- 4.2 If during the **Payment Term** you make a payment to **your Account** in excess of **your Monthly Interest Payment**, you may be subject to an **Early Repayment Charge**, as described in **your Offer of Loan**.
- 4.3 If at the end of the **Payment Term** you make a payment to **your Account** in excess of **your Optional Partial Repayment** you may be subject to an **Early Repayment Charge**, as described in **your Offer of Loan**.
- 4.4 If **you** have more than one **Account** with **us**, **we** will allocate any payments **you** make (in excess of **your Monthly Interest Payment**, if applicable) to the **Account** with the highest rate of interest.
- 4.5 If **your Account** is not in arrears, any payments **you** make (in excess of **your Monthly Interest Payment**, if applicable) will be applied whether or not they incur an **Early Repayment Charge** in the following order when credited to **your Account**:
- (a) outstanding interest bearing fees including **Early Repayment Charges**, if any; and
  - (b) capital.
- 4.6 If **your Account** is in arrears, any payments **you** make (in excess of **your Monthly Interest Payment**, if applicable) will be applied whether or not they incur an **Early Repayment Charge** in the following order when credited to **your Account**:
- (a) outstanding interest bearing fees including **Early Repayment Charges**, if any;
  - (b) arrears; and
  - (c) capital.

- 4.7 During the **Payment Term**, **we** reserve the right to reduce **your Monthly Interest Payment** to ensure that it's equal to the amount of monthly interest charged on the **Loan** following any additional payments **you** have made in excess of the **Monthly Interest Payment**. **We** will not, however, increase your **Monthly Interest Payment** without **your** prior written consent.

### 5. Charges you must pay

#### Types of Charges

- 5.1 **Your Offer of Loan** sets out a number of fees (known as **Charges**) which are part of the cost for **your Loan** and are incurred prior to **Completion**. There are also a number of **Charges** which may arise throughout the life of **your Payment Term Lifetime Mortgage**.

- 5.2 **We** will tell **you** when **you** have incurred a **Charge**. **You** must pay **us our Charges**. Where **we** are able, **we** will set out the amount of the **Charges** in **our Tariff of Charges**. Where **we** are unable to state the amount of the **Charge** in advance (because, for example, **we** incur external costs), **we** will charge a reasonable amount together with the amount of any external costs which **we** may incur.

- 5.3 **We** may apply **Charges** in the operation and administration of **your Account**. The amount of these **Charges** will be set out in **our Tariff of Charges**. Examples include (but are not limited to):

- (a) where **you** ask **us** to provide a document or a service in connection with the **Payment Term Lifetime Mortgage**, whether to **you** or anyone else;
- (b) a change of ownership if **you** wish to add or remove a joint owner;
- (c) changes affecting legal title to the **Property**;
- (d) releasing part of **our** security under the **Payment Term Lifetime Mortgage**; and
- (e) where **you** wish to transfer **your Payment Term Lifetime Mortgage** to another property.

- 5.4 **We** may reasonably incur **Charges** in order to protect the value of the security **we** have taken over **your Property**. **You** must repay these **Charges** to **us**. This includes **Charges** **we** reasonably incur because **you** fail to fulfil an obligation **you** have under the **Payment Term Lifetime Mortgage**. Where **you** fail to fulfil an obligation under the **Payment Term Lifetime Mortgage** and **we** incur costs as a result, **we** will reasonably calculate any **Charges** payable by **you**.

- 5.5 Examples of circumstances where **we** may apply such **Charges** include:

- (a) any legal proceedings and any associated costs relating to the **Payment Term Lifetime Mortgage**;
- (b) exercising any of the rights or powers given to **us** by law or the **Payment Term Lifetime Mortgage**;
- (c) recovering any of the **Amount Owed**;
- (d) doing anything **you** are obliged to do under the **Payment Term Lifetime Mortgage** but fail to do (such as insuring or repairing the **Property**);
- (e) taking action when there is an **Event of Default**; and
- (f) protecting or preserving **our** security.

**Example:** If **you** fail to make necessary repairs to the **Property** such as repairing a damaged roof, **we** may incur costs arranging maintenance work on the **Property**. These costs will be **Charges** that **you** must pay and will be applied in accordance with this **Condition 5**.

- 5.6 Where costs are incurred by **us** because **you** have not complied with the terms of **your Payment Term Lifetime Mortgage**, any action taken by **us** or on **our** behalf to protect **our** security does not stop **you** being in breach. Similarly, **your** repayment of the **Charge**, or the addition of the **Charge** to the **Amount Owed**, does not stop **you** being in breach.

**Example:** If **you** fail to insure the **Property** as **you** are required to do in these **Conditions**, **you** will be in breach. **We** may take action to insure the **Property** on **your** behalf. The costs of doing so will be **Charges**. Even though the **Property** will be insured, it does not mean that **you** are no longer in breach of these **Conditions**.

## Failure to repay a Charge

- 5.7 If **you** do not pay a **Charge** within 10 days of the relevant due date (which **we** will tell you) then **we** may at **our** discretion add the **Charge** to the **Amount Owed** on **your Account**. Where **we** add **Charges** to the **Amount Owed**, **we** will charge interest on them. This interest will then be added to the **Amount Owed** each month. Where there is more than one **Interest Rate** on **your Account**, **we** will apply the **Charge** to the **Loan** which incurs interest at the lowest **Interest Rate** (unless the **Charge** relates specifically to one **Loan** in particular, in which case **we** will apply the **Charge** to that **Loan** and the **Interest Rate** applicable to that **Loan** will apply).

## Changes to Charges

- 5.8 **We** may introduce any change that abolishes a **Charge** or reduces the amount of an existing **Charge** with immediate effect and without giving **you** advance notice. **We** may increase or add to the **Charges** set out in **our Tariff of Charges** from time to time for any one or more of the following reasons (which may relate to circumstances existing at the time or which **we** reasonably expect to apply in the future):

- (a) to respond, reasonably, to changes in **our** costs of funding that impact on the particular product or service **we** provide to **you**, including:
- (i) where **we** make changes to **our** technology or other systems relating to the particular product or service, **we** provide to **you**;
  - (ii) where **we** are required to meet changes in the law and/or regulatory requirements, or to meet changes in the interpretation of any existing law and/or regulatory requirement; and
  - (iii) where appropriate, where **we** are required to meet changes in the decisions or recommendations of an ombudsman or regulator, or any code of practice, which is or are applicable to the conduct of **our** business; and
- (b) to correct mistakes if it is reasonable to do so.

- 5.9 Unless it is not reasonably practicable for **us** to do so, where **we** increase or add to the **Charges** in the **Tariff of Charges**, **we** will give **you** at least 30 days' written notice of the change to the **Tariff of Charges**. **We** will also ensure that the change is proportionate to the underlying reason for the change. **We** will provide **you** with the latest **Tariff of Charges** at least once a year and it will also be available on **our** website.

- 5.10 Unless it is not reasonable for **us** to do so, **we** will tell **you** before taking any action which incurs a **Charge**.

## 6. Additional borrowing

**Your Offer of Loan** sets out the circumstances in which **you** may apply for additional borrowing.

## 7. No Negative Equity Guarantee

- 7.1 Your **Offer of Loan** sets out the **No Negative Equity Guarantee** which applies to **your Payment Term Lifetime Mortgage**. Please note that there are certain circumstances where the **No Negative Equity Guarantee** will not apply, and those are set out in **Conditions** 7.2, 7.3 and 7.4 below.
- 7.2 The **No Negative Equity Guarantee** will not apply to any **Monthly Interest Payment** **you** fail to make in full and on time throughout the **Payment Term**. This includes any

interest which has accrued on any **Monthly Interest Payment** **you** fail to make.

- 7.3 The **No Negative Equity Guarantee** does not apply if **you** decide to repay the **Amount Owed** early unless **you** do so by a sale of the **Property** in accordance with **Condition** 14.
- 7.4 If **you** breach the **Payment Term Lifetime Mortgage** terms and **we** incur costs and Charges in remedying this breach (for example, if **you** do not insure or repair the **Property** properly), the **No Negative Equity Guarantee** will not extend to cover those costs and **Charges**. This includes any interest which has accrued on those costs and **Charges**.

**Example:** If, following a **Repayment Event**, the **Amount Owed** to **us** is £300,000 including £10,000 of due but unpaid **Monthly Interest Payments** (and compounding interest accrued in respect of such **Monthly Interest Payments**) and the best price reasonably obtainable for the **Property** is only £270,000, the **No Negative Equity Guarantee** would not apply to the £10,000 of **Monthly Interest Payments** and related interest. This means that **you** or **your** estate would be left with an outstanding lifetime mortgage debt of £10,000.

## C. WHAT YOU NEED TO DO DURING THE LIFE OF YOUR PAYMENT TERM LIFETIME MORTGAGE

This Section C sets out some important responsibilities that **you** have in relation to **your Payment Term Lifetime Mortgage**. It contains important **Conditions** relating to the **Property**. If **you** do not meet **your** responsibilities, **you** will be in breach of these **Conditions**. It is important that **you** take the time to understand and become familiar with **your** responsibilities.

## 8. Your obligations

### Things you must do

- 8.1 During the **Payment Term**, **you** must pay to **us** the **Monthly Interest Payments** on the **Payment Date**.
- 8.2 Throughout the life of **your Payment Term Lifetime Mortgage** **you** must:
- (a) pay to **us** the **Amount Owed** in the manner and at the time(s) set out in the **Offer of Loan** and these **Conditions**;
  - (b) unless agreed with **us**, only use the **Property** as a private residence and as **your Main Residence**. If **we** ask **you** to do so, **you** must promptly confirm to **us** in writing that this remains the case;
  - (c) maintain the **Property** in a state which **we** consider is a state of good and substantial repair and Condition. **We** will act reasonably when deciding if the **Property** is in a state of good and substantial repair and Condition. Where the **Offer of Loan** includes a requirement that repairs are undertaken or building works are completed before **we** advance any **Loan** to **you**, **you** must ensure these repairs and/or works are undertaken and completed in accordance with the requirements in the **Offer of Loan**;
  - (d) observe and perform all legal restrictions, conditions and obligations affecting the **Property** or its use, including those in any lease relating to the **Property**;

**Example:** **your Property** may be subject to a legal restriction not to build anything in **your** garden or a condition to maintain a fence in a certain position. Where **your Property** is leasehold, **your** lease of the **Property** may include restrictions against keeping pets or playing loud music or a condition to ask **your** landlord for consent before **you** carry out any works to **your Property**. There are other examples which are not included here. In each case, **you** would need to make sure **you** comply with the legal restriction, condition or obligation. These are limited examples, and **you** should consider documents relating to **your Property** such as **your** lease together with these **Conditions** to ensure that **you** are complying.

- (e) punctually pay all rates, taxes, rents, outgoing and charges payable in respect of the **Property**;
- (f) comply in all respects with all legislation (including those relating to planning and environmental matters) and all requirements and regulations of local authorities and any other authorities which apply to the **Property**;
- (g) promptly give **us** any information about the **Property** which **we** may reasonably ask for;
- (h) provide **us** with a copy of any notice, order or proposal concerning the **Property**. **You** must do so within 7 days of receiving it. **We** may ask **you** to respond to it and **you** must make all statements which **we** reasonably ask **you** to make. Unless **we** tell **you** otherwise, **you** must take all reasonable and necessary steps to comply with the notice, order or proposal; and

**Example:** One example of such a notice is where **you** may receive a letter from **your** local authority informing **you** of a breach of building regulations in relation to **your Property** or about new road proposals affecting **your Property**.

- (i) where the **Property** is leasehold, inform **us** of any notice served under any of the Leasehold Reform Acts in relation to the **Property**. **You** must do so within 4 **Working Days** of the notice being served. If **we** request **you** to do so, **you** must also execute in **our** favour a legal mortgage of the freehold, or any superior lease or any new lease, which **you** obtain. The legal mortgage must be in a form that **we** reasonably require. If **your Property** is in Scotland, then **you** do not need to consider **Condition** 8.2 (h). The Leasehold Reform Acts mean the Leasehold Reform Act 1967 and the Leasehold Reform, Housing and Urban Development Act 1993.

**Explanation:** The Leasehold Reform Acts contain rights for tenants of long leases in certain circumstances to obtain an extension to their lease and/or to acquire the freehold. If **you** exercise any rights under these Acts (for example, by serving a notice on your landlord requesting a lease extension), **you** must inform **us** about this and inform **us** about correspondence **you** receive from your landlord. If **you** acquire the freehold, any superior leasehold title or any new lease, **we** may ask **you** to sign a new form of legal mortgage in order to protect **our** security interest in the **Property**.

### Things you must not do

- 8.3 Throughout the life of **your Payment Term Lifetime Mortgage** **you** must not do (or allow anyone else to do) any of the following without **our** prior written consent (which **we** will act reasonably in granting or refusing):

- (a) make any structural or material alteration or addition to the **Property**;
- (b) make any change in the use of the **Property** which would require planning permission or approval under any building regulations;
- (c) apply for any improvement or similar grant in respect of the **Property**;
- (d) move out of the **Property**;
- (e) sell or create any lease or tenancy over all or any part of the **Property** (see Section D for more information);
- (f) grant or allow any right over all or any part of the **Property**;
- (g) allow someone to move into the **Property** (see Section D for more information); or
- (h) create or allow to exist any other mortgage, standard security or charge on the **Property** except for the charge created by the **Mortgage Deed**.

## 9. Your obligation to insure the Property

- 9.1 **You** must keep the **Property** insured throughout the life of **your Payment Term Lifetime Mortgage** against all risks against which it is usual to insure properties of a similar type and location. These risks include (but are not limited to) fire, subsidence, flood, escape of water, storm and any other risks as **we** may from time to time reasonably require or agree. **Your Offer of Loan** may set out additional requirements in this respect, which **you** must comply with.
- 9.2 It is **your** responsibility to make sure that the amount of insurance and risks covered are adequate. **We** consider that the amount of insurance is adequate if it covers the full cost of rebuilding (often referred to as reinstatement value) **your Property** or, if it is a higher amount, the market value of **your Property**. When considering if the risks covered by **your** insurance policy are adequate, **we** will take into account the nature and location of **your Property**.
- 9.3 It is also **your** responsibility to pay the insurance premiums on time. **We** may ask **you** to provide to **us** copies of **your** insurance policy document(s) and/or evidence of **your** premium payments. Where **we** ask **you** to do so, **you** must provide the copies to **us** promptly to demonstrate that **you** have adequate insurance in place.
- 9.4 If **you** fail to insure the **Property**, or if **you** fail to provide copies of **your** policy document(s) and premium receipts to **us** within a reasonable period of time, **we** may ourselves insure the **Property** and recover all reasonably incurred costs of doing so from **you**. These costs will be **Charges** that **you** must pay and will be applied in accordance with **Condition** 5.
- 9.5 **You** will not do, or allow anyone else to do, anything which may make the insurance of the **Property** invalid.
- 9.6 Subject to the rules of the Financial Conduct Authority, **we** may accept and retain commission or other non-monetary benefits in respect of insurance policies that are put in place through any of **our** agency arrangements.
- 9.7 **You** must use any monies which become payable under **your** buildings insurance policy to repair or reinstate the **Property**, or if **we** agree to it, the monies must be used to reduce or repay the **Amount Owed**. If there has been significant loss or damage to the **Property**, **we** may instruct **your** insurance company to pay all claims money directly to **us**, but if the claims money is paid to **you**, **you** will hold it on trust for **us**.

## 10. Environmental Notices

- 10.1 An Environmental Notice means any notice in respect of any contamination or pollution issued under any environmental legislation which relates to the **Property** or any neighbouring property.

**Explanation:** An Environmental Notice is likely to be a letter from **your** local authority or the Environment Agency informing **you** that they have concerns about contamination in the ground within **your** property or a neighbouring property.

- 10.2 Regardless of any other provision in the **Payment Term Lifetime Mortgage**:

- (a) **we** are entitled to carry out any works ourselves or require any works to be carried out where such works are required either to comply with an Environmental Notice or to remedy any circumstances which could lead to the issue of an Environmental Notice;
- (b) **you** will immediately notify **us** if an Environmental Notice is issued, or if **you** become aware of any circumstances which may lead to the issue of an Environmental Notice. In either case, **you** will provide written details to **us** of the steps **you** intend to take to remedy the circumstances or comply with the Environmental Notice;
- (c) **you** will permit **us** to inspect the **Property** at any reasonable time (and, where practicable, upon reasonable prior notice) in connection with an Environmental Notice or in circumstances which **we** reasonably consider may lead to the issue of an Environmental Notice. The inspection of the **Property** may include taking samples or making trial pits or boreholes; and
- (d) **you** will not create or allow any circumstances which could lead to the issue of an Environmental Notice.

## D. CHANGES TO YOUR CIRCUMSTANCES

During the life of **your Payment Term Lifetime Mortgage**, your circumstances may change. This Section D sets out what **you** must and must not do if **you** wish to move home, move occupiers into **your Property**, let **your Property** or sell **your Property**. See Section E in relation to repaying **your Payment Term Lifetime Mortgage**. If **your** circumstances change, and in particular if **you** encounter difficulties in making **your Monthly Interest Payments**, please contact Legal & General Home Finance Limited to see what **we** can do to help.

## 11. Moving home

- 11.1 **Your Offer of Loan** sets out the circumstances in which **you** may transfer **your Payment Term Lifetime Mortgage** to a new property when **you** move home. However, **you** must tell **us** in advance and **we** must give **our** consent before **you** can transfer **your Payment Term Lifetime Mortgage** to **your** new property.
- 11.2 If **you** are unable to transfer **your Payment Term Lifetime Mortgage** to **your** new property (for example, because **your** new property does not satisfy **our** eligibility criteria), the **Amount Owed** must be repaid to **us** upon the sale of the **Property** (as set out in **Condition 15**). The sale of the **Property** may result in **you** having to pay an **Early Repayment Charge**, depending on the circumstances of the sale (see **Condition 16** and **your Offer of Loan** for more information). Where **our Downsizing Protection** benefit applies, no **Early Repayment Charge** will be payable, as explained in **your Offer of Loan**.

## 12. Moving others into the Property

- 12.1 **Your Offer of Loan** sets out **our** requirements if **you** intend to allow any person to move into or occupy the **Property**, even if **you** do not intend for that person to be added to the **Payment Term Lifetime Mortgage**. **You** must not allow any other person to move into or occupy the **Property** before complying with those requirements.
- 12.2 **We** may in some circumstances, agree for an additional borrower to be added or removed from **your Payment Term Lifetime Mortgage** but **we** are not obliged to do so. **You** must contact **us** if **you** wish to apply to make changes to the title to the **Property**.

**Explanation:** If **you** want to allow anyone to move into the **Property** during the life of **your Payment Term Lifetime Mortgage** **you** must check that the requirements set out in **your Offer of Loan** are met.

## 13. Letting the Property

- 13.1 **You** may not do any of the following without **our** prior written consent:
- (a) grant or renew (or agree to grant or renew) any lease or tenancy of the **Property** or licence to occupy the **Property**; or
  - (b) part with or share possession of the **Property**. **We** may impose reasonable conditions upon any consent **we** give.
- 13.2 The statutory power of a mortgagor to lease, agree to lease and accept surrenders of leases will not apply to the **Payment Term Lifetime Mortgage**. If **your Property** is in Scotland, then **you** do not need to consider **Condition 13.2**

**Explanation:** This means that **you** cannot lease or let **your Property** without **our** consent.

## 14. Selling the Property

- 14.1 If **you** decide or are required to sell **your Property** during the life of **your Payment Term Lifetime Mortgage**, **you** will be responsible for all costs and expenses involved in selling the **Property**.
- 14.2 **You** must give **us** prior written notice of **your** intention to sell the **Property** before putting the **Property** up for sale. **You** must also provide **us** with any information that **we** reasonably require in connection with the sale, including the price at which **you** propose to sell the **Property** (which is referred to in these **Conditions** as the **Proposed Sale Price**). **You** must ensure that vacant possession is given when the sale is completed, meaning all occupants must leave the **Property** by the day of completion of the sale.
- 14.3 Before **you** agree to sell **your Property**, **we** will reasonably estimate in good faith the **Net Sale Proceeds** that will be available on completion of the sale to repay the **Amount Owed** on the basis of the **Proposed Sale Price**.
- 14.4 If **our** estimate indicates the **Net Sale Proceeds** will not be enough to repay the **Amount Owed** (taking into account any **Protected Percentage** where **you** have an **Inheritance Protection Option**), **we** may instruct a valuer to value the **Property**. If the valuation indicates a value which is higher than the **Proposed Sale Price**, **we** can insist that the **Property** is sold for no less than this value (the '**Valuation Price**').
- 14.5 If **we** instruct a valuer, the valuer's fees will be **Charges** that **you** must pay, which will be applied in accordance with **Condition 5**.

- 14.6 No sale of the **Property** may occur for less than the Proposed Sale Price (or, if there is one, the Valuation Price) without **our** prior written consent. **We** will not withhold **our** consent if it is shown to **our** reasonable satisfaction that the sale is at the best price reasonably obtainable. As an alternative to giving consent **we** may in **our** discretion purchase the **Property** ourselves at a price equal to the highest genuine offer received.
- 14.7 If **you** sell the **Property** and are required to repay **your Payment Term Lifetime Mortgage**, **you** may have to pay an **Early Repayment Charge** depending on the circumstances of the repayment. **Your Offer of Loan** sets out the details of the **Early Repayment Charge**.

## E. REPAYING YOUR PAYMENT TERM LIFETIME MORTGAGE

**Your Payment Term Lifetime Mortgage** is designed to last for **your** lifetime and is repayable when **you** (or, if borrowing jointly, both of **you**) die or move out of **your Property** into **Long Term Care**.

However, there are other circumstances when **your Payment Term Lifetime Mortgage** must be repaid to us. **You** may also wish to repay the **Payment Term Lifetime Mortgage** early. This Section E contains **Conditions** relating to the repayment of **your Payment Term Lifetime Mortgage**.

### 15. Repaying your Payment Term Lifetime Mortgage when a Repayment Event occurs

#### Repayment Event

- 15.1 **We** must be immediately informed if a **Repayment Event** takes place or any event occurs which is likely to result in a **Repayment Event** taking place.

A "**Repayment Event**" means the occurrence of any of the following:

- the death of the borrower (or, if joint borrowers, the last surviving of **you** dies);
  - the borrower's entry into **Long Term Care** (or, if joint borrowers, the last surviving of **you** goes into **Long Term Care**);
  - the **Property** is sold;
  - the **Property** is no longer used as **your Main Residence** (or, if joint borrowers, the last surviving of **you** ceases to use the **Property** as his or her Main Residence); and
  - any **Event of Default** occurs including any failure to make **Monthly Interest Payments** in full and on time throughout the **Payment Term**.
- 15.2 Where the **Repayment Event** arises due to death or entry into **Long Term Care** as outlined above, the **Amount Owed** must be repaid to **us** within 12 months of the date of that **Repayment Event**. If **you** need to sell the **Property** in order to repay the **Amount Owed**, **you** must make reasonable efforts to sell the **Property** as quickly as **you** reasonably can after that **Repayment Event**. If the **Amount Owed** is not repaid to **us** within this 12-month period, this will be an **Event of Default**. **We** can request earlier repayment from **you** if in **our** reasonable opinion the value of the **Property** is either:
- less than the **Amount Owed**; or
  - likely to be less than the **Amount Owed** in the 12-month period following the **Repayment Event**.

If this is the case, **we** can give you notice to this effect at any time after the **Repayment Event**, in which case **you** must repay the **Amount Owed** to **us** (adjusted, if applicable, according to **Condition 7** and **Condition 15.7**) immediately following the date **we** give **you** that notice or, if a different date is specified in that notice, by the date specified.

- 15.3 Where the **Repayment Event** falls within parts (c), (d) or (e) of **Condition 15.1** above, the **Amount Owed** (as adjusted by **Conditions 7** and **15.7**) must be repaid to **us** and shall immediately become due and payable.
- 15.4 Any sale of the **Property** by **you** following a **Repayment Event** must be undertaken in accordance with **Condition 14**.
- 15.5 Once the **Amount Owed** becomes payable, **we** may exercise certain powers in order to protect **our** rights and interests. These powers are set out in Section F below.
- 15.6 Following any **Repayment Event**, **you** must continue to comply with the obligations in the **Lifetime Mortgage** (including, but not limited to, the requirements set out in **Conditions 8** and **9** about what **you** must and must not do in connection with the **Property**).

#### Net Sale Proceeds

- 15.7 If the **Net Sale Proceeds** from a sale of the **Property** are less than the **Amount Owed** (taking into account any **Protected Percentage**), **we** will inform **you** of the shortfall but **you** will not have to repay the shortfall to the extent that the **No Negative Equity Guarantee** applies. This **Condition 15.7** only applies if **you** have complied with:

- the requirements in **Condition 14** about selling **your Property**; and
- the remainder of this **Condition 15**.

- 15.8 If any **Repayment Event** occurs and **we** reasonably consider that the **Net Sale Proceeds** will be insufficient to repay the **Amount Owed**, **we** may spend such amounts of money as **we** reasonably see fit to make the **Property** more marketable. **We** will only incur costs to make the **Property** more marketable under this **Condition 15.8** if **we**:

- reasonably consider that the **Property** can't be sold at the best price reasonably obtainable; or
- have concerns that the **Property** has not been kept in a good state of repair.

- 15.9 **We** may also incur independent surveyors' fees on or following the **Repayment Event** to establish whether insufficient money will arise from the sale of the **Property** to repay the **Amount Owed**. All such amounts and fees will be **Charges** that **you** must pay, which will be applied in accordance with **Condition 5**.

- 15.10 **Net Sale Proceeds** will be used firstly towards payment of the **Amount Owed**. Where the **Net Sale Proceeds** obtained from a sale of the **Property** exceed the **Amount Owed**, **we** will inform **you** of the surplus amount, which will be reimbursed to **you** or **your** legal representative(s) for **your** benefit or the benefit of **your** estate or any subsequent charges (as the case may be).

### 16. How to repay your Payment Term Lifetime Mortgage early

- 16.1 Subject to **Condition 17.1** below, **you** may repay **your Payment Term Lifetime Mortgage** by repaying the **Amount Owed** early in accordance with the terms of the **Offer of Loan**.
- 16.2 Your **Offer of Loan** sets out the details of the **Early Repayment Charge** which **you** may have to pay in certain

circumstances if **you** repay **your Payment Term Lifetime Mortgage** early.

## 17. General repayment conditions

17.1 If **you** choose to repay or must repay the **Payment Term Lifetime Mortgage**, **you** must at the same time repay every other mortgage, standard security or charge which **we** then hold from **you**. Section 93 of the **LPA 1925** shall not apply to the **Payment Term Lifetime Mortgage**.

**Explanation:** This means that if **you** hold more than one mortgage with **us you** will need to repay all of them at the same time.

17.2 Where **you** have more than one mortgage with **us, we** will decide which mortgage to allocate **your** payments to.

## 18. When we can retain your Payment Term Lifetime Mortgage

18.1 Once the **Amount Owed** is repaid in full to **us, we** will release the security constituted by the **Payment Term Lifetime Mortgage**, subject to **Condition 17.1** and **Condition 18.2**.

18.2 **We** may retain any security granted in respect of the **Payment Term Lifetime Mortgage** for a period of up to 3 months after the **Amount Owed** is repaid and all **your** obligations and liabilities to **us** are satisfied or discharged. If during such 3 month period any bankruptcy proceedings are started against **you** or any bankruptcy order is made against **you** (or any other person that makes payment of, or discharges, **your** obligations and liabilities to **us**), **we** may retain the security for a further period, as **we** determine (acting reasonably).

18.3 **Our** right to retain any security in accordance with **Condition 18.2** only arises where **we** have received professional advice that there is a reasonable risk that:

- (a) the repayment and discharge of the **Amount Owed** may be invalidated, reinstated or clawed-back upon a bankruptcy order being made against **you** or upon bankruptcy proceedings being started against **you** during the 3-month period referred to in **Condition 18.2**; and
- (b) upon such reinstatement, invalidation or clawing-back of the **Amount Owed** becoming effective, the security for the **Payment Term Lifetime Mortgage** would not be automatically reinstated or re-granted in **our** favour.

## F. OUR POWERS IN CONNECTION WITH YOUR PAYMENT TERM LIFETIME MORTGAGE AND YOUR PROPERTY

This Section F sets out the rights and powers from which **we** benefit in connection with your **Payment Term Lifetime Mortgage**. It includes additional **Related Rights** which **you** assign to **us**, and the rights and powers of a property receiver that **we** may appoint in connection with **your Payment Term Lifetime Mortgage**. It also includes **our** appointment as **your** attorney for these purposes (although this is not the same as a lasting power of attorney).

### 19. Our powers

If your **Property** is in Scotland, then **Condition 19** is replaced by **Condition 29.5**.

19.1 For the purposes of the **LPA 1925** the mortgage money will be treated as due, and the statutory power of sale (as extended by these **Conditions**) and the other powers contained in section 101 of the **LPA 1925** will arise, one (1) month after the date of **Completion**.

**Explanation:** Under legislation, mortgage providers (including **us**) are given certain powers relating to the mortgage, including the ability to sell the mortgaged property when the mortgage money becomes due.

19.2 The statutory power of sale applies to the **Payment Term Lifetime Mortgage** free from the restrictions in section 103 of the **LPA 1925**.

**Explanation:** Section 103 of the **LPA 1925** sets out various circumstances when **we** can exercise the statutory power of sale referred to in **Condition 19.1**. This **Condition 19.2** excludes section 103, meaning **we** are not restricted to exercising **our** powers only in those circumstances contained in section 103, but also in other circumstances. However **we** must always act in accordance with these **Conditions**.

19.3 Regardless of any other provisions of these **Conditions**, the **Amount Owed** shall immediately become due and payable on demand if any **Event of Default** occurs.

19.4 **We** (or a third party acting on **our** behalf) may enter the **Property** to carry out repairs if the **Property** is not being adequately maintained. The **Offer of Loan** sets out **our** rights in this regard. No exercise of any such right shall make **us** liable as a mortgagee in possession.

**Explanation:** If a mortgage provider takes physical possession of the mortgaged **Property**, it will be known as a "mortgagee in possession", which means the mortgage provider incurs certain liabilities in relation to the mortgaged **Property**. This **Condition** means that the statutory requirements and liabilities of a "mortgagee in possession" will not apply to **us** if **we** carry out repairs if **your Property** is not being adequately maintained.

19.5 At any time after the **Amount Owed** has become due and payable, **we** may (without previous notice to or agreement from **you**):

- (a) take possession of the **Property**;
- (b) appoint one or more persons to be a receiver of all or any part of the **Property**;

**Explanation:** **We** can appoint someone (who may be a third party) named a "receiver" to act on **our** behalf in connection with **your Payment Term Lifetime Mortgage**. If a receiver is appointed, they would have various powers (including those listed in **Conditions 19.6** and **20**, as well as others), such as the ability to sell the **Property** and use the proceeds of sale to repay the **Payment Term Lifetime Mortgage**.

- (c) sell the **Property** (whether or not **we** have taken possession); and/or
- (d) exercise all the other powers given to mortgagees by the **LPA 1925**.

19.6 At any time after the **Amount Owed** has become due and payable, **we** or any receiver appointed by **us** may:

- (a) carry out repairs, renewals or improvements to the **Property**;
- (b) carry out any building or development works on the **Property**;

- (c) apply for and obtain any appropriate planning or other consents and approvals in respect of the **Property**; and/or
- (d) exercise the statutory powers of leasing or accepting surrenders of leases without the restrictions imposed by law, including those contained in sections 99 and 100 of the **LPA 1925**.

**Explanation:** Sections 99 and 100 of the **LPA 1925** give lenders the right to lease a **Property** of which they have taken possession after the borrower's default if those leases meet certain **Conditions** (for example, in relation to their term and the rent). These restrictions are excluded so that if **we** take possession, **we** can lease the **Property** or accept a surrender of an existing lease without any restrictions.

In each case, as **we** or the receiver may in **our** or his/her discretion reasonably think fit. No exercise of any such rights shall incur any liability (either to **you** or any other person) or make **us** liable as a mortgagee in possession.

**Explanation:** If **we** (or a receiver appointed by us) exercise the rights set out in this **Condition** 19.6, neither of **us** will be treated as a "mortgagee in possession" and the statutory requirements and liabilities of a "mortgagee in possession" will not apply to **us**.

- 19.7 If **we** (or any receiver appointed by us) take possession of the **Property** **we** or the receiver may remove, store, sell or otherwise deal with any goods or animals which **you** have not removed from the **Property**. If **we** do this **we** will do so at **your** agent and at **your** expense, and the costs that **we** incur in doing so will be applied as a **Charge** which **you** must pay, in accordance with **Condition** 5. **We** will not be responsible for any loss caused by **our** so doing. **We** will account to **you** for all proceeds received, either by paying such amount to **you** or setting it off against the **Amount Owed** (at **our** discretion), but **we** will deduct all expenses that **we** reasonably incur in dealing with the goods and/or animals. If the proceeds received are less than the expenses **we** reasonably incur, the remainder of the expenses will be a **Charge** that **you** must pay, which will be applied in accordance with **Condition** 5.
- 19.8 If **we**, or a receiver appointed by **us**, enters into possession of the **Property**, **we** or that receiver may at any time give up possession. If **we** decide to give up possession, **we** will tell **you** as soon as possible.
- 19.9 Neither **we** nor any receiver shall be liable, by reason of entering into possession of the **Property** or for any other reason, to account as mortgagee in possession in respect of all or any of the **Property**, nor shall **we** or any receiver be liable for any loss on realisation of, or for any act, neglect or default of any nature in connection with, all or any part of the **Property** for which a mortgagee in possession might be liable as such.
- 19.10 No exercise of **our** rights under this **Payment Term Lifetime Mortgage** (including where a receiver appointed by **us** exercises those rights) shall make **us** or the receiver liable as a mortgagee in possession in respect of all or any part of the **Property**.

**Explanation:** If **we** (or a third party acting on **our** behalf) carry out repairs at **your Property**, neither of **us** will be treated as a "mortgagee in possession" and the statutory requirements and liabilities of a "mortgagee in possession" will not apply to **us**.

19.11 When **we** and any receiver appointed by **us** exercise **our** or his/her powers under this **Payment Term Lifetime Mortgage**, **we** may engage and pay third parties to assist **us**. These third parties will be acting on **your** behalf as **your** agents and **you** will be responsible for their fees at such rates as **we** or the receiver may reasonably agree. The remuneration will be a **Charge** that you must pay, which will be applied in accordance with **Condition** 5. If **we** appoint a third party, **we** may revoke the appointment of that third party at any time, and any receiver may do likewise. **We** will tell **you** if the third party's appointment is revoked.

19.12 **We** may revalue the **Property** at any time during the lifetime of the **Payment Term Lifetime Mortgage**. If it is necessary for the valuer to enter the **Property** to conduct the valuation, **we** will give **you** reasonable notice and **you** must permit this. Any revaluation under this **Condition** 19.12 shall be at our expense.

## 20. Rights of a property receiver appointed by us

If **your Property** is in Scotland, then **you** do not need to consider **Condition** 20.

**Explanation:** **We** can appoint someone (who may be a third party or may be one of **our** employees) named a "receiver" to act on **your** behalf in connection with your **Payment Term Lifetime Mortgage**. If a receiver is appointed, they would have the same powers as we do. **Condition** 20 sets out more information regarding receivers.

- 20.1 A receiver appointed by **us** shall have all the powers conferred:
- (a) on mortgagees and/or receivers by the **LPA 1925** (but without the restrictions contained in sections 103 and 109 of that Act); and
  - (b) on administrative receivers by the Insolvency Act 1986 Schedule 1, except to the extent that any of these powers are expressly or impliedly excluded by the **Mortgage Deed** or these **Conditions**. In the event of ambiguity or conflict, the terms of the **Mortgage Deed** will prevail, followed by these **Conditions**.

**Explanation:** Under legislation, mortgage providers (including **us**) and receivers that **we** appoint are given certain powers relating to the mortgage, including the ability to sell the mortgaged **Property** when the mortgage money becomes due. This **Condition** 20.1 confirms that a receiver that **we** appoint will be able to exercise those statutory powers, unless these **Conditions** say otherwise.

- 20.2 **We** or any receiver appointed by **us** shall also have power on **your** behalf and at **your** expense, and regardless of **your** bankruptcy, death or insanity, to do or omit to do anything which **you** could do or omit to do in relation to the **Property**. This includes (without limitation) a right for **us** and any receiver to:
- (a) take possession of the **Property** and for this purpose to take, defend, discontinue or compromise any proceedings as **we** or they think fit;
  - (b) generally manage the **Property** including collecting and receiving rents, arranging necessary repair and maintenance of the **Property**, ensuring compliance with local authority requirements, maintaining, renewing or increasing insurances and serving notice under relevant housing legislation;
  - (c) without restriction, sell the **Property** (whether or not **we** have taken possession) for a price and on terms as **we** think fit;

- (d) without restriction, lease or sublease (as appropriate) the **Property**, vary, assign, renew, terminate, surrender or accept surrenders of leases, tenancies or licences over the **Property** for a price and on terms and for rent and payment as **we** think fit without the restrictions imposed by law, including those contained in sections 99 and 100 of the **LPA 1925**;
- (e) sell any freehold or leasehold reversions created over the **Property**;
- (f) exercise, on **your** behalf and without having to give **you** prior notice or obtain **your** consent, all the powers and duties conferred on a landlord by law from time to time without having any liabilities or responsibilities to **you** as a result of doing so; and/or
- (g) take and do any other acts and things **we** or the receiver:
  - (i) consider desirable or necessary for protecting **our** security constituted by the **Payment Term Lifetime Mortgage** or for realising the value of the **Property** or any part of it;
  - (ii) consider incidental or conducive to any of the rights or powers conferred on a receiver under or by virtue of these **Conditions** or law; or
  - (iii) lawfully may do as **your** agent.

**Example:** The receiver would have power (amongst other examples above) to commence or complete building works at the **Property** (for example, if the fence in the garden is damaged a receiver would have the power to repair it).

- 20.3** The receiver may incur costs in exercising his/her rights and powers under the **Payment Term Lifetime Mortgage** and may charge such amount for his/her fees as **we** reasonably agree with him/her. The receiver will be an agent acting on **your** behalf and **you** will be responsible for his/her fees. These costs and fees will be **Charges** that **you** must pay, which will be applied in accordance with **Condition 5**.
- 20.4** **We** may remove any receiver appointed by **us** at any time. **We** may also appoint a new receiver, either instead of or as well as any existing or former receiver. **We** will give **you** written notice if **we** do so.
- 20.5** **We** may appoint any one or more persons to be a receiver of all or any part of the **Property**. If there is more than one receiver appointed by **us** in connection with the **Property**, each receiver may exercise individually all of the powers conferred on a receiver under the **Payment Term Lifetime Mortgage** and to the exclusion of the other receiver or receivers (unless the document appointing such receiver states otherwise).
- 20.6** Any receiver appointed by **us** may be one of **our** employees or may be a third party.
- 20.7** Section 109(8) of the **LPA 1925** shall be amended so as to allow a receiver to pay any money owing by **you** in such order of priority as he/she thinks fit.

**Explanation:** Section 109(8) allows a receiver to choose the order in which debts are paid. The receiver can decide to pay his/her fees before repayment of **your Payment Term Lifetime Mortgage** debt should he/she choose to do this. **You** will be responsible for paying these fees, as set out in **Condition 20.3**.

## 21. Related Rights

**Explanation: Related Rights** are rights that may arise in connection with **your Property**. One example is where **you** have any construction work carried out on the **Property** and the builder gives **you** a warranty or guarantee in relation to the work. This **Condition 21** means that **we** may benefit from that warranty or guarantee. The list of **Related Rights** is set out in **Condition 21.1** below..

### 21.1 Related Rights means:

- (a) any option to purchase the freehold or superior leasehold or a new lease of the **Property**;
- (b) any right to acquire further or additional shares or interests in the **Property** which are included in, or otherwise granted to **you** in, a shared ownership lease (or any documentation supplemental to or associated with such lease);
- (c) any right to receive money which becomes payable in respect of the **Property** or following any damage to or depreciation of the **Property**, including money payable for mining subsidence or compulsory purchase;
- (d) any share or membership rights in a residents' association, common hold association or management company relating to the **Property**;
- (e) any guarantees or insurances relating to the **Property** including guarantees for work done to the **Property**; and
- (f) any other benefit or right of any kind relating to the **Property** or its construction or title.

**21.2** As further consideration for the **Loan you** assign **your** rights in and the benefit of the **Related Rights** to **us** and agree that **we** have full power to enter the **Property** and to exercise and deal with all the **Related Rights** as being absolutely and beneficially entitled to them.

**21.3** If **you** receive any money in respect of any **Related Rights you** will hold this on trust for **us** to use in accordance with **Condition 21.4** below.

**21.4** Any proceeds of the **Related Rights**, after deducting all costs reasonably incurred by **us** in dealing with the **Related Rights**, will be applied in reducing the **Amount Owed**, and any surplus will be paid to **you** or any other person who is entitled to the surplus.

## 22. You appoint us as your attorney

**22.1** As security for **your** obligations under the **Payment Term Lifetime Mortgage you** irrevocably appoint **us**, and any receiver appointed by **us**, together and individually to be **your** attorney in **your** name and on **your** behalf to do all things set out in **Condition 22.2** below. The attorney will be legally entitled to act on **your** behalf.

**Explanation:** This power of attorney means **we** (and any receiver **we** have appointed) are legally entitled to act on **your** behalf and able to sign documents relating to the **Property** or the **Payment Term Lifetime Mortgage** on **your** behalf at any time if **we** think it is necessary or desirable to protect **our** interests. This is not the same as a lasting power of attorney. The power of attorney only relates to the matters set out in **Condition 22.2** below.

22.2 Under the power of attorney, **we** may execute and deliver any deed or document, exercise any rights or powers which **you** have in respect of the **Property** or the **Related Rights** and do anything else which **we** or the receiver think necessary or desirable to:

- (a) protect **our** security under the **Payment Term Lifetime Mortgage**;
- (b) exercise any powers contained in the **Payment Term Lifetime Mortgage**; or
- (c) preserve the **Property** or the **Related Rights** (and their value).

**Example:** One example of how **we** may use the power of attorney is to appoint builders on **your** behalf if **we** have concerns that **you** are not keeping the **Property** in good repair.

22.3 **We** (or a receiver appointed by **us**) may delegate the power of attorney to any third party where reasonably necessary in the exercise of **our** powers.

22.4 **We** and the attorney will not be liable to **you** for anything done when exercising the power of attorney unless it is done negligently.

22.5 You will on **our** request:

- (a) sign (or execute and deliver) any document or deed;
- (b) exercise any rights or powers which **you** have in respect of the **Property** or the **Related Rights**; and
- (c) do anything else which **we** or the receiver think necessary or desirable,

in each case in order to:

- (d) protect **our** security under the **Payment Term Lifetime Mortgage**;
- (e) exercise any powers contained in the **Payment Term Lifetime Mortgage**; and preserve the **Property** or the **Related Rights** (and their value).

22.6 The power of attorney will end when **we** release the security constituted by **your Payment Term Lifetime Mortgage**. **You** will sign (or execute and deliver) any document or deed which **we** reasonably request in order to appoint **us** (and any receiver appointed by us) as **your** attorney, on the same terms and **Conditions** set out in this **Condition 22**.

## G. GENERAL CONDITIONS

This Section G contains general **Conditions** relating to **your Payment Term Lifetime Mortgage**, including: (1) **our** ability to assign **our** rights under the **Payment Term Lifetime Mortgage** to any third party; (2) **our** use of information **we** receive about you; (3) the circumstances in which **we** may vary the terms of the **Payment Term Lifetime Mortgage**; (4) the law that applies to **your Payment Term Lifetime Mortgage**; and (5) various other miscellaneous **Conditions**.

### 23. When we can sell, transfer or assign your Payment Term Lifetime Mortgage to someone else

23.1 **We** may at any time transfer or assign to any other person the benefit of, and **our** rights under, all or any part of the **Payment Term Lifetime Mortgage** and any related security. **We** do not need **your** consent to do so. If **we** do so, **your** rights and obligations under the **Payment Term**

**Lifetime Mortgage** will not be affected. **you** must continue to perform **your** obligations under the **Payment Term Lifetime Mortgage** as though **you** originally entered into it with the transferee or assignee.

23.2 **We** may release to any actual or potential transferee or assignee (and their advisers) any information **we** hold about you, about the conduct of **your Account** and about any related securities. **We** will release this information in accordance with **Condition 24**.

## 24. Using your information

24.1 **We** will decide the purposes for which and the manner in which any personal information **we** obtain relating to **you** is processed. **We** will process all personal data relating to **you** in accordance with **our** privacy policy from time to time relating to the processing of personal data about **you**.

24.2 **We** may give any information and documents concerning the **Payment Term Lifetime Mortgage** or **your** Account to any person if:

- (a) **we** are required to do so by law or by any regulatory authority;
- (b) **we** have a public duty to do so;
- (c) it is necessary in order to enforce any provisions of the **Payment Term Lifetime Mortgage**;
- (d) **you** ask **us** to give details to another person or agree that **we** can give such details to another person;
- (e) that person takes over, or may be entitled to take over, any of **our** rights under the **Payment Term Lifetime Mortgage** or is responsible for the management or administration of the **Account** or the **Payment Term Lifetime Mortgage** at any time;
- (f) that person provides services to **us** in connection with **your Account** or the **Payment Term Lifetime Mortgage**; or
- (g) **we** think it is necessary or advisable to do so in connection with any transfer, sale or financing arrangement which **we** may enter into or consider in connection with the **Payment Term Lifetime Mortgage**.

24.3 **We** will use the information which **you** give **us**, or which **we** receive from any enquiries which **you** permit **us** to make about **you** or which **we** require to be made, for processing and administering **your Account** or the **Payment Term Lifetime Mortgage**, for customer service, market research, statistical analysis, audit and administrative purposes.

24.4 **We** may record telephone calls that **you** make to **us** for **our** mutual protection and to improve **our** customer service standards.

## 25. Miscellaneous

25.1 If **we** fail to exercise or delay in exercising any right or power that **we** have in connection with the **Payment Term Lifetime Mortgage**, this will not affect **our** ability to later exercise any of **our** rights or powers. If **we** exercise any of **our** rights or powers (in whole or in part), this will not affect **our** ability to exercise them again in the future or to exercise any other right or power.

25.2 If **we** agree with **you** that **we** will not exercise any of **our** rights or powers on a specific occasion, this will not prevent **us** from exercising **our** rights and powers in the future and will not affect the other terms of the **Payment Term Lifetime Mortgage**.

25.3 The rights, powers and remedies provided in the **Payment Term Lifetime Mortgage** are cumulative and not exclusive of any rights, powers or remedies provided by law.

**Explanation:** Not all **our** rights and powers under **your Payment Term Lifetime Mortgage** are listed in these **Conditions** or in the **Offer of Loan**. Some are contained in statute and **we** are able to use all those other rights and powers too.

25.4 Each of the provisions and/or sub-clauses of the **Payment Term Lifetime Mortgage** is severable and distinct from the others. If at any time any one or more of such provisions becomes illegal, invalid or unenforceable, this will not impair or affect the legality, validity or enforceability of the remaining provisions.

25.5 Only **you** and **we** may enforce the terms of the **Payment Term Lifetime Mortgage**. No provision of the **Payment Term Lifetime Mortgage** will be enforceable by a third party under the Contracts (Rights of Third Parties) Act 1999.

25.6 **We** will communicate with **you** using the English language and all **our** documents will be issued to **you** in English. If **you** choose to use the services of an interpreter, **we** are not a party to, or responsible for, those services which will be subject to a separate privacy notice and terms and conditions with any interpreter **you** choose to use.

## 26. Varying the terms of the Payment Term Lifetime Mortgage

26.1 **We** may vary the terms of the **Payment Term Lifetime Mortgage** from time to time during the life of the **Payment Term Lifetime Mortgage** without **your** consent for the purpose of giving **you** the benefit of enhanced or additional services which become available in connection with the **Payment Term Lifetime Mortgage**.

26.2 **We** may also vary the terms of the **Payment Term Lifetime Mortgage** from time to time during the life of the **Payment Term Lifetime Mortgage** without **your** consent for the purpose of responding reasonably to:

- (a) any change in the law, regulatory requirements or codes of practice which is or are applicable to the conduct of **our** business or the **Payment Term Lifetime Mortgage**;
- (b) any new or amended recommendation, requirement or decision by any court, ombudsman, regulator or similar body, including the Equity Release Council, which is or are applicable to the conduct of **our** business or the **Payment Term Lifetime Mortgage**;
- (c) any change to **our** technology or other systems used in connection with the **Payment Term Lifetime Mortgage**, including where the change is needed either to improve the operation of those systems or to integrate them with the systems used by another organisation which **we** acquire or by which **we** are acquired; and
- (d) any mistakes which are identified and reasonably require changes or rectification.

26.3 **We** may also vary the terms of the **Payment Term Lifetime Mortgage** from time to time during the life of the **Payment Term Lifetime Mortgage** without **your** consent for any other reason not specified in these **Conditions** provided any such change is proportionate to the underlying reasons for the change.

26.4 **We** will give **you** at least 30 days' written notice in advance of any change **we** make pursuant to **Conditions** 26.2 and 26.3.

## 27. Sending notices to you

27.1 If **we** leave or send by prepaid post or by email any written demand or notice addressed to **you** either to the **Property** or any other address or email address that **you** make known to **us**, **you** will be deemed to receive the notice.

27.2 Where **we** leave any demand or notice at the address referred to in **Condition** 27.1, **you** will be deemed to have received it at the time that **we** leave it there. Where **we** send any demand or notice by post to that address or any other nominated address, **you** will be deemed to have received it two **Working Days** after posting. Where **we** send any demand or notice by email, **you** will be deemed to have received it on the date and at the time that **we** sent it.

**Example:** If we post a notice to **you** at 1pm on Tuesday, **you** will be deemed to have received it at 1pm on Thursday.

## 28. Governing law and jurisdiction

28.1 The **Payment Term Lifetime Mortgage** and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) will be governed by English Law, unless **your Property** is in Scotland, in which case **Condition** 29 applies.

28.2 The courts of England and Wales will have jurisdiction to settle any such disputes or claims, unless **your Property** is in Scotland, in which case **Condition** 29 applies.

## H. TERMS THAT APPLY IF THE PROPERTY IS IN SCOTLAND

If the **Property** is in Scotland, **your Payment Term Lifetime Mortgage** is governed by the laws of Scotland. This Section H sets out the special **Conditions** that apply to **your Payment Term Lifetime Mortgage** if the **Property** is located in Scotland.

### 29. Scotland

29.1 The provisions of this **Condition** 29 apply to the **Payment Term Lifetime Mortgage** if the **Property** is located in Scotland.

29.2 In these **Conditions**:

- (a) **CFRA 1970** means the Conveyancing and Feudal Reform (Scotland) Act 1970; and
- (b) **CFRA Standard Conditions** means the standard **Conditions** set out in schedule 3 to the **CFRA 1970**, which detail certain obligations **you** have, and certain rights **we** have, in relation to the **Property**.

29.3 References in these **Conditions** and the **Offer of Loan** to 'tenants in common' are replaced by 'joint owners'.

29.4 **Conditions** 8.1(h), 13.2 and 20 do not apply.

29.5 **Condition** 19 is replaced by the following:

#### 19. Our powers

19.1 Regardless of any other provisions of these **Conditions**, if any **Event of Default** occurs, the **Amount Owed** shall immediately become due and payable on demand and **you** will be in default under the **CFRA 1970**, which would allow **us** to enforce **our** security and exercise the rights available to **us** under the **CFRA 1970**.

- 19.2 At any time after the **Amount Owed** has become due and payable, **we** may (without previous notice to or agreement from **you**):
- (a) take possession of the **Property**;
  - (b) sell the **Property** (whether or not **we** have taken possession); and/or
  - (c) exercise all the other powers given to heritable creditors by the **CFRA 1970**.

**Explanation:** A “heritable creditor” is a legal term for a person who holds a standard security over a **Property** in Scotland. Heritable creditors are granted certain powers by law (including those powers set out below in **Condition 19.3**, but there are others as well).

- 19.3 At any time after the **Amount Owed** has become due and payable, **we** may if **we** consider it necessary or desirable, at **your** expense and regardless of **your** bankruptcy, death or insanity and without being treated as a heritable creditor in possession or becoming liable to account as such:
- (a) take any proceedings **we** think fit in relation to the **Property**;
  - (b) generally manage the **Property**, including collecting and receiving rents, carrying out building and development works, arranging necessary repair and maintenance of the **Property**, ensuring compliance with local authority requirements, maintaining, renewing or increasing insurances, serving notice under relevant housing legislation and obtaining any appropriate planning or other consents and approvals; and/or
  - (c) exercise, on **your** behalf and without having to give **you** prior notice or obtain **your** consent, all the powers and duties conferred on a landlord by law from time to time in force (including the power to grant, vary, assign review, terminate, surrender or accept surrenders of leases, tenancies or licences over the **Property** so far as permitted by the **CFRA 1970**) without having any liabilities or responsibilities to **you** as a result of doing so, in each case, as **we** in **our** discretion reasonably think fit. Any costs **we** incur will be a Charge that **you** must pay, which will be applied in accordance with **Condition 5**.

**Explanation:** If a mortgage provider takes physical possession of the mortgaged property, it will be known as a “heritable creditor in possession”, which means the mortgage provider incurs certain liabilities in relation to the mortgaged property. If **we** exercise the rights set out in this **Condition 19.3**, **we** will not be treated as a “heritable creditor in possession”. This means the statutory requirements and liabilities of a “heritable creditor in possession” will not apply.

- 19.4 After taking possession of the **Property** **we** may, as **your** agent and at **your** expense (as a **Charge**, which will be applied in accordance with **Condition 5**), remove, store, sell or otherwise deal with any goods or animals which **you** have not removed from the **Property**. **We** will not be responsible for any loss caused by **our** so doing. **We** will account to **you** for all proceeds received, either by paying such amount to **you** or setting it off against the **Amount Owed** (at **our** discretion), but **we** will deduct all expenses that **we** reasonably incur in

dealing with the goods and/or animals. If the proceeds received are less than the expenses **we** reasonably incur, the remainder of the expenses will be a **Charge** that **you** must pay, which will be applied in accordance with **Condition 5**.

- 19.5 When **we** exercise **our** powers under **your Payment Term Lifetime Mortgage**, **we** may engage and pay third parties to assist **us**. These third parties will be acting on **your** behalf as **your** agents and **you** will be responsible for their fees at such rates as **we** may reasonably agree. The remuneration will be a **Charge** that **you** must pay, which will be applied in accordance with **Condition 5**. If **we** appoint a third party, **we** may revoke the appointment of that third party at any time. **We** will tell **you** if the third party’s appointment is revoked.

29.6 References to a ‘receiver’ in **Condition 22** do not apply.

29.7 In **Condition 19.2** the words ‘by signing the **Mortgage Deed**’ will be added before the words ‘**you** assign’.

29.8 **Condition 28** is replaced by the following:

#### 28. Governing law and jurisdiction

28.1 The **Payment Term Lifetime Mortgage** and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) will be governed by the law of Scotland.

28.2 The courts of Scotland will have jurisdiction to settle any such disputes or claims.

29.9 Any other references in these **Conditions** to any word, expression or practice under English law are references to the equivalent or nearest equivalent word, expression or practice under the law of Scotland.

### 31. Interpretation of these Conditions

- 31.1 Any reference to a “month” and “monthly” means a calendar month.
- 31.2 Any reference to “**you**” includes **your** legal representatives should **you** die, become bankrupt or become unable to manage **your** affairs.
- 31.3 Where there is more than one **Borrower**:
- (a) “**you**” and “**your**” refer to both of **you** together and each of **you** separately;
  - (b) if either of **you** dies, becomes bankrupt or becomes unable to manage **your** affairs this will not affect the liability of the other one of **you**; and
  - (c) **your** liability to **us** is both joint and several which means that **we** can enforce the **Payment Term Lifetime Mortgage** against any or both of **you** for the **Amount Owed**.
- 31.4 Any reference to any provision of any law includes that provision as updated or altered at any time.
- 31.5 References to any document include all variations, replacements and amendments to that document.
- 31.6 Any phrase introduced by the terms “including”, “include”, “in particular” or a similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- 31.7 Any reference to these **Conditions** or to any other document is a reference to these **Conditions** or to that other document as validly amended, varied, supplemented, restated or novated (in each case, other than in breach of the provisions of these **Conditions**) at any time.
